When focusing specifically on female-to-male expressions, the act becomes intertwined with gender identity?the deeply felt sense of being male, female, or otherwise.

Gender Identity vs. Gender Expression

It?s important to distinguish between gender identity?the internal sense of one?s own gender?and gender expression?the external presentation of gender through clothing, behavior, and appearance. Female-to-male cross-dressing often serves as a form of gender expression aligned with one?s gender identity, especially for those who identify as transgender men or gender non-conforming individuals.

The Spectrum of Female-to-Male Cross-Dressing

FTM cross-dressing exists along a spectrum:

- Casual Cross-Dressing: Wearing male clothing occasionally or in specific contexts without necessarily identifying as male.

- Performance and Artistic Expression: Some individuals cross-dress for theatrical or artistic purposes, independent of their gender identity.
- Identity Affirmation: For many, dressing in male attire is an essential step toward aligning their external appearance with their internal sense of self.
